

THE RAFT

THE RAFT FLOATING RESTAURANT

NAMIBIA – BOTSWANA

Location is everything... and the Raft is, well, perfectly located! Situated in the Chobe main stream opposite Sedudu Island, it overlooks, what is arguably, the most game rich island in the whole of the Chobe region... with regular sightings of elephants, buffalo, lechwe and host of large herbivores drawn to the endless supply of lush green grass throughout the year.

Open daily for lunch, the floating restaurant has seating capacity for 64. There is no need to clear immigration and access is a mere 15-minute boat ride from Kasane. We generally allow 2 hours for the whole experience but there is no need to rush through the meal. The traditional barbecue is simple yet, delicious; with each person's steak cooked to their liking. Lunch includes a traditional "braai" style menu of 3 meats, 2 salads, a warm dish with garlic bread and of course, a dessert. The package also includes 2 Drinks per person (there is no cash bar). Drinks include a choice of local beer, house wine, soft drinks and water.

Quite simply it is a "must" in any Chobe itinerary... an affordable (Rack, BWP375pp for 2018), relaxed lunch overlooking the best game Chobe has to offer... an easy addition that will win you rave reviews, visit trip advisor and see for yourself!
